

Summary of Revisions

The following is a summary of revisions completed for the WATCM for 2021.

Section	Section Title	Page / Figure	Reason for Revision
7	Typical Layouts for Two Lane Roads	7-22	Re-aligned Advance Warning Distance "A" from Construction Ahead sign to Match line to ensure consistency between figure 7-22 and 7-23.
7	Typical Layouts for Two Lane Roads	7-23	Re-aligned Advance Warning Distance "A" from Construction Ahead sign to Match line to ensure consistency between figure 7-22 and 7-23. Increased "A" values for V=50 from A=300 to A=350, and for V=100 from A=1000 to A=1500. Added Note 9 regarding signage requirements for Temporary Markings.
7	Typical Layouts for Two Lane Roads	7-24	Changed Next x km tab sign under Construction Ahead sign to a Distance Advisory tab sign. Added missing Traffic Control Person Ahead sign.
